Woodside Circulation Committee  
Thursday, February 27, 2020

FINAL MINUTES

Call to Order
Roll Call: Rosenbloom, Page, Fenzi, Simkover, Wall, Brisbin
Sgt. Hui, Eddy Castellanos (Public Works Fellow), Dick Brown, Steve Lubin

Inadequate agendizing of items so that the public can be present to discuss a specific item. Sean needs to highlight items that are important enough to be going in front of the Town Council. Project list needs to be sent out every month with the agenda. AGENDIZE: Future agendas

Approval of Minutes: January 23, 2020: APPROVED

1. County Sheriff Report with traffic citation report (Standing Item)
   Accidents: 10
   Citations: 314, 124 speeding, 22 failure to stop, 27 cell phones, 12% of citations were to Woodside residents
   May Day: Use electronic signs for notification. Detouring traffic down Whiskey Hill to Sandhill to Portola to Woodside. People coming east on Kings Mountain should be diverted down Tripp Rd.
   Wunderlich Park: Night enforcement of speeding along Woodside Rd in front of the park: Lot of speed 30+ cites in 30 days, including DUIs
   School Involvement: Bike Rodeo and Crosswalk event, teaching kids to look both ways before crossing
   Glens: Parking, 20+ warning citations last month

2. Speed Data from Town’s radar (Eddy Castellanos)
   Reported speed data for Portola Rd west between Mt. Home and Woodside Rd.
   AGENDIZE: PROPOSED STOP SIGN AT PORTOLA AND MT. HOME WESTBOUND
   Next location is same stretch going east

3. Circulation project updates by Town staff (Standing Item)
   #1 – Looking at possibility of using delineators on the north side of Woodside Rd. at the school. Steve Lubin has been looking into how that area is being used and will check in with Sean as to where the town is in planning those improvements.
   • Sean says the Town is taking the lead on improving the bike lanes on Woodside Rd. at the 280 interchange and by the high school.
   #2 – Sent letter to the neighbors of impending cross walk.
   #3 – Sean will get back to us next month
   #4 – Opening bids this summer
   #5 – Study will start this summer
   #6 – Crews currently working on this.

4. Discussion of ongoing dangers related to new and excessive traffic, speeding, blind curve roads, signage and narrowing roads (Standing Item)
   Nothing new
5. **Discussion regarding development of traffic data spreadsheet, map, and Woodside residents survey**
   Eddy indicated he could look at hot spots after the map has been created. Eddy may have something next month.

6. **Continued discussion about potential change in meeting time for committee**
   No change at this time

7. **Report regarding police outreach program at Woodside Elem. School (J. Wall)**
   See Item #1 from Sgt. Hui

8. **Discussion regarding improved stop sign compliance by The Noon Riders (M. Fenzi)**
   This is an enforcement issue. Since we know the where and when all that needs to be done is to place the traffic officers at certain intersections. MWF is an older group and becoming better behaved. Tripp/Kings Mtn is an issue, Albion/Olive, Olive Hill/Canada at 12:35pm on Tuesday/Thursday. Needs to be talked about with Sgt. Hui. **AGENDIZE NEXT MONTH.** Eddy will talk to Sean about monitoring the Noon Ride.

9. **American Diabetes Ride** – Brisbin proposed and Fenzi seconded the motion: Approve the ride with a monitor at Woodside Rd. West turning onto Portola South. Remind them not to use all of Tunitas Creek Rd.

10. **GranFondo Bike Ride – AGENDIZE NEXT MONTH**

**Future Agenda Items (Standing item)**
- **Future Agendas**
  - Proposed stop sign at Portola and Mt. Home
  - #5 – Make a standing item??
  - Stop sign compliance for Noon Riders
  - GranFondo Ride
  - Kings Mt. Home Bike Pullouts

**Communications – Committee Members**
- May 14th is Bike-To-Work Day – Organize a Bike-to-School Day at the same time.
- Dick suggested we do a year-in-review in December to see what we have accomplished.
- Adjourn to next meeting: March 26, 2020
